RE: High School Senior Scholarship

I am sending this to your Educational Co-operative because we want to get the word out that we have a \$750 Scholarship to give to a graduating senior female who plans to go into education and teach in the classroom. I have enclosed the application for the scholarship and also a letter to the high school senior counselor to be sent to the high schools in your service area.

We are an honorary organization of women educators and place emphasis on the education of women and the welfare of students. Thank you in advance for sending this to your participating schools. If you have any questions, please contact me at either 870-919-1628 or at andersob244@yahoo.com.
