

## **BAUXITE HIGH SCHOOL CLASS OF 1965**

### **VOCATIONAL/TECHNICAL/CAREER EDUCATION SCHOLARSHIP**

The Bauxite Class of 1965 has established a scholarship to be awarded to a Bauxite High School graduating senior who desires to further his or her education by enrolling in an approved vocational, technical or career education college or institute instead of a traditional four year college or university. All applicants must have a minimum grade point average of 2.0. The recipient must enroll as a full time student in an on campus program designed for completion in two years or less. This scholarship may not be used for programs serving as stepping stones for entrance into conventional four year educational institutions. One scholarship will be awarded each school year and will be funded at the rate of \$500 per semester. Funding may be continued at the same rate for a total of four semesters, provided that the recipient maintains a 2.5 grade point average and remains in good standing with their selected institution. This scholarship is to be awarded based on the student's desire, ability, financial need and ties to the community. The application deadline is April 15.
