SCHOLARSHIP
Awarded by the American Indian Center of Arkansas**

The American Indian Center of Arkansas Scholarship Award Program is intended to encourage Native American youth in Arkansas to consider a college education as a means of realizing their full potential and providing them with a broader range of choices when careers and employment are chosen. The program will also provide assistance with tuition, books or other college related expenses that might otherwise cause the student to not pursue additional education beyond high school.

In order to be eligible for this scholarship program, applicants must be of documentable Native American descent from a federally recognized tribe. The documentation required is a CDIB (Certificate of Degree of Indian Blood) card or tribal enrollment documentation from a federal recognized tribe. A copy must be furnished with the application.

Questions pertaining to the scholarship program can be directed to the American Indian Center of Arkansas at 501-666-9032.

APPLICATIONS

Applications for the scholarship to be awarded in 2023 may be obtained from the office of the local high school principal or counselor or from the American Indian Center of Arkansas.

SELECTION PROCESS

Finalists will be selected from those applications which are received within the deadline and are approved for review. ALL APPLICATIONS MUST INCLUDE ALL APPROPRIATE SIGNATURES AND DATES! Incomplete forms will be returned to the student for additional information; however, the corrected application must still be received by the original deadline in order to be considered.

Finalists may be featured in the news media with a representative of the American Indian Center and will receive a one-time Scholarship Award of \$500.00 to be presented at the student's graduation ceremony. The award will be paid directly to the educational institution of the student's choice upon acceptance to that institution. The educational institution may be either a two or four year Arkansas college. Students planning to attend a vocational-technical school are not eligible.

All applicants will be notified by mail as to the Review Committee's decision regarding their application.
